In The Know

with Domino

"Jingle Bells" was the first song played in space!

On December 16, 1965, astronauts Wally Schirra and Thomas P. Stafford took part in NASA's Gemini 6A space flight. They jokingly claimed to see a UFO piloted by a commander in a red suit heading towards the North Pole. They then played "Jingle Bells" on the harmonica to celebrate the season. The harmonica is now on display at the Smithsonian!

HOLIDAY SHOPPING:

The rise in online shopping has made holiday gift-giving easier than ever, but with that convenience comes the increased risk of scams. To help you stay safe while checking off your list this season, we've put together a "Naughty vs. Nice" list. Stick to the Nice List and steer clear of the Naughty List for a safe and secure holiday shopping experience!

NICE LIST

1. Shopping with Trusted Retailers

- Research unfamiliar sites by checking reviews and ratings.
- Ensure the website uses 'https' or the padlock symbol
- Verify the retailer's contact information
- Avoid websites with poor designs or grammar mistakes.

2. Monitoring Bank Account Activity

3. Using a Protected Payment Method

4. Using Strong, Unique Passwords

NAUGHTY LIST

1. Clicking Suspicious Links

- Don't click on unknown email links
- Type URLs directly into search engines to verify deals
- Be cautious of text scams asking for banking/personal information

2. Falling for Too-Good-To-Be-True Deals

3. Oversharing Personal Information

4. Ignoring Security Updates
